HALLOWEEN SPIDER WEBS

HERE'S WHAT YOU NEED TO GET STARTED...

BOSTIK HOBBY CRAFT GLUE

PAINT

YARN

PADDLE POP STICKS

SCISSORS

PENCIL

PIPE CLEANERS
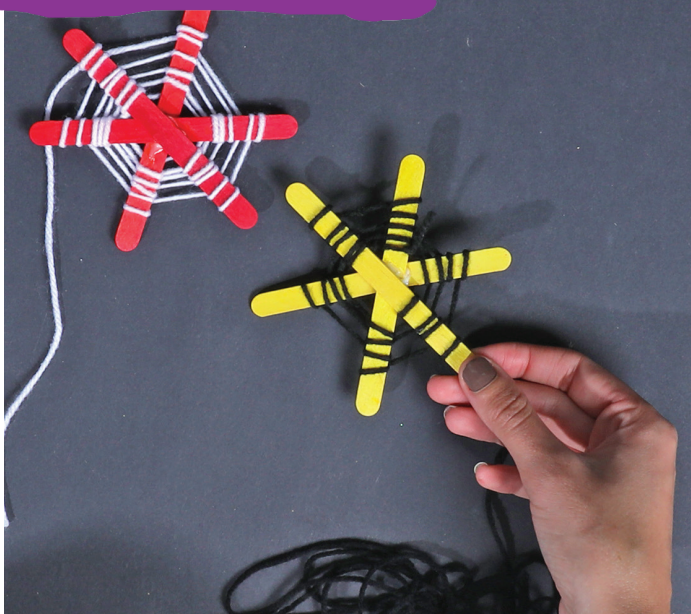

PROJECT SHEET

STEP 1.
CREATE THE BASE

Glue three popsicle sticks together to create the spiderweb base.

STEP 2.
WEAVE THE WEB

Cut a piece of yarn and tie one end to the popsicle stick. Wrap the yarn around each popsicle stick to create a web-like effect.

STEP 3.
TIE IT OFF

When done, tie the end to a popsicle stick. Leave a tail of yarn for hanging your spider web.

STEP 4.
DIVIDE IT INTO PARTS

Cut two pipe cleaners into four equal parts for legs, and use half a pipe cleaner as the body.

PROJECT SHEET

STEP 5.
CREATE SPIDER BODY

Wrap one end of the long section around your finger twice.

STEP 6.
COMPLETE THE TWIST

Wrap the rest of it around a pencil.

STEP 7.
ADD ON THE LEGS

Twist on each 'leg' in the section between the two spirals.
