## STEP 1. READY TEMPLATE

Print out the templates.

## STEP 2. PREP YOUR BALLOON

Choose a balloon. Blow up the balloon and tie off the end. To keep the balloon steady, you can use a small mixing bowl as a base. Tape if necessary.

## STEP 3. PAPIER MÂCHÉ

Cut up newspaper strips. Cover your balloon with newspaper strips and Coloured School Glue. Once entire balloon is covered, let it dry. This could take a few hours.

## STEP 4. ADD YOUR COUNTRIES

Use the template to cut out your countries, using green paper. Attach countries to the balloon with your glue. Label each country with a black marker.
