Form	Solid (wax-like mass)
Bonding Times	Approx. 1 minute
Capacity	4x8g
Product codes	30629576

TYPICAL PERFORMANCE DATA (Approx.)

Solid Content	33%-40%
Specify gravity	1.10+/-0.10 /cm3
PH Value	10.5-11.5

APPLICATION

Read and understand the Safety Data Sheet before using this product. SDS can be acquired by visiting www.bostik.com.au

SURFACE PREPARATION

1. Ensure that surfaces to be bonded are clean, dry, and free from grease, oil, dust, and other foreign materials.

APPLICATION

2. Remove cap, turn base until glue protrudes
3. Glue one surface and press firmly together. For best results swipe twice
4. When finished, turn base to retract glue
5. Recap after use to prevent glue from drying out

CLEANING

7. To remove from substrates clean away glue with warm soapy water.

STORAGE

Store in a cool dry place between 5 to 25° C and out of direct sunlight. Shelf life is 18 months from the date of manufacture when stored as directed.

PRECAUTION IN USE

Not suitable for damp, delicate, absorbent or newly decorated surfaces. If in doubt, test a small area first. The adhesive gets stronger with time, so take care when removing. Recommendations and suggestions are for guidance only since conditions of use are completely beyond our control. Not suitable for children under 36 months due to small parts - choking hazard. If contact occurs, wash area with water.

HEALTH & SAFETY

Always read the Technical Data Sheet and Safety Data Sheet (SDS) before handling or use. Full product safety information required for safe use is not included in this data sheet. SDS available by request or at www.bostik.com.au

The application recommendations are defined by standards of use. They are imperative to respect them, but they don't need a previous try, especially for a first use or inconvenient of support, site or environment. Consult our safety data sheets for precautions to use.

DISCLAIMER

Bostik offers this Technical Data Sheet ("TDS") for descriptive and informational use only. It is not a warranty, a contract or a substitute for expert or professional advice. Please also see the local product Safety Data Sheet for health and safety considerations.

The statements, technical information, data, and recommendations contained in this TDS are provided 'AS IS' and are not warranted or guaranteed in any way. They represent typical results for the products and are based on Bostik's research only. Since the conditions and methods of use of the products are beyond our control, Bostik expressly disclaims any and all liability and damages of whatever kind or nature that may arise from any use of the products, the results therefrom, or reliance on the information contained herein.
