Cleans permanent marker stains, adhesive residue, stickers, tape, labels, decals, price tags, gum, and non-curing adhesive.

Use on:

- Ceramic
- Wood
- Glass
- Metals
- Plastics

TECHNICAL CHARACTERISTICS

Colour	Clear
Form	Liquid
Capacity	8g
Product codes	30629594

APPLICATION

Read and understand the Safety Data Sheet before using this product. SDS can be acquired by visiting www.bostik.com.au

HOW TO USE

1. Test in a hidden area before applying to ensure suitability
2. Apply Fix Stik directly to the surface
3. Allow it to sit for a few minutes to break down the ink or adhesive
4. Wipe away with a clean cloth or scraper
5. Repeat if necessary

DANGER: Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Prevention: Wash face, hands and any exposed skin thoroughly after handling. Avoid breathing dust/fume/gas/mist/ vapors/spray. Contaminated work clothing should not be allowed out of the workplace. Ground and bond container and receiving equipment. Use non-sparking tools. Take action to prevent static discharges. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep container tightly closed. Wear protective gloves. Store locked up. Store in a well-ventilated place. Keep cool. For additional information, see Safety Data Sheet.

STORAGE

Store in a cool dry place between 5 to 25° C and out of direct sunlight. Shelf life is 18 months from the date of manufacture when stored as directed.

PRECAUTION IN USE

Not suitable for damp, delicate, absorbent or newly decorated surfaces. If in doubt, test a small area first. The adhesive gets stronger with time, so take care when removing. Recommendations and suggestions are for guidance only since conditions of use are completely beyond our control. Not suitable for children under 36 months due to small parts - choking hazard. If contact occurs, wash area with water.

HEALTH & SAFETY

Always read the Technical Data Sheet and Safety Data Sheet (SDS) before handling or use. Full product safety information required for safe use is not included in this data sheet. SDS available by request or at www.bostik.com.au

The application recommendations are defined by standards of use. They are imperative to respect them, but they don't need a previous try, especially for a first use or inconvenient of support, site or environment. Consult our safety data sheets for precautions to use.

DISCLAIMER

Bostik offers this Technical Data Sheet ("TDS") for descriptive and informational use only. It is not a warranty, a contract or a substitute for expert or professional advice. Please also see the local product Safety Data Sheet for health and safety considerations.

The statements, technical information, data, and recommendations contained in this TDS are provided 'AS IS' and are not warranted or guaranteed in any way. They represent typical results for the products and are based on Bostik's research only. Since the conditions and methods of use of the products are beyond our control, Bostik expressly disclaims any and all liability and damages of whatever kind or nature that may arise from any use of the products, the results therefrom, or reliance on the information contained herein.
