GLUE GONE

SUPER GLUE REMOVER GEL

TECHNICAL SHEET 17/02/2026

SMART ADVANTAGES

- Fix bonding mistakes.
 - Removes super glue and stubborn adhesive residue
 - Non-drip gel formula for controlled application
 - Precision nozzle for accurate placement
 - Suitable for vertical surfaces
 - Low odour formula
 - Ideal for metal, plastic*, fabric and more
 - Compact 3g size — perfect for toolboxes and on-the-go repairs
- *Not suitable for some hard plastics such as ABS. Always test first.

DESCRIPTION

When a repair goes wrong, fix it properly.

Bostik Glue Gone 3g is a specialised super glue remover designed to break down tough cyanoacrylate adhesives and sticky residue with precision control. The non-drip gel formula stays where you apply it, making it ideal for vertical surfaces and targeted corrections on metal, plastic, fabric and more.

Compact, effective and easy to use — it's the must-have backup for every toolbox, workshop and DIY kit.

TECHNICAL CHARACTERISTICS

Color	Clear
Form	Gel
Composition	Propylene carbonate

APPLICATION

Always test on a hidden area before full application. Do not use on painted or varnished surfaces or hard plastics such as ABS.

PREPARATION

1. Screw the cap/nozzle down firmly to puncture the seal. Do not squeeze the tube. Remove cap carefully.

APPLICATION

2. Lightly apply to the stained or badly bonded area.
3. Place folded tissue over the treated area. For fabric stains, place tissue on both sides.
4. Leave for several hours (preferably overnight, depending on residue thickness).
5. Remove tissue, wipe clean and rinse or wash the area. Repeat if required for heavy residue.
6. Replace cap immediately after use and store in a cool, dry place.

STORAGE

Store in a cool and dry place. Upright position only.
Store for up to 18 months from date of manufacture when stored in original, unopened packaging under cool and dry conditions. Do not freeze.

PRECAUTION IN USE

Protect work surface.
Don't use for objects that hold hot foods/liquids or high stress joints.

Always read the Technical Data Sheet and Safety Data Sheet (SDS) before handling or use. Full product safety information required for safe use is not included in this data sheet. SDS available by request or at www.bostik.com.au

PACKAGING

Product code	30630436
Size	3g
Units per box	6
EAN code	9310492266336

The application recommendations are defined by standards of use. They are imperative to respect them, but they don't need a previous try, especially for a first use or inconvenient of support, site or environment. Consult our safety data sheets for precautions to use.
